PERSONAL STATEMENT

I am currently pursuing an MSc (Eng.) Geomatics degree at the University of Cape Town (South Africa). I intend to use this as a stepping stone as I work to achieve what I have set out in my personal career strategic plan. I strive to always apply myself as a continuous learner. My vision is to become an impactful and driven spatial data development project leader in Africa; who understands how to inspire team members to play on their strengths.

CAREER-RELATED EXPERIENCE
